

 *Bioprocess lab.*

Experiments of HPLC

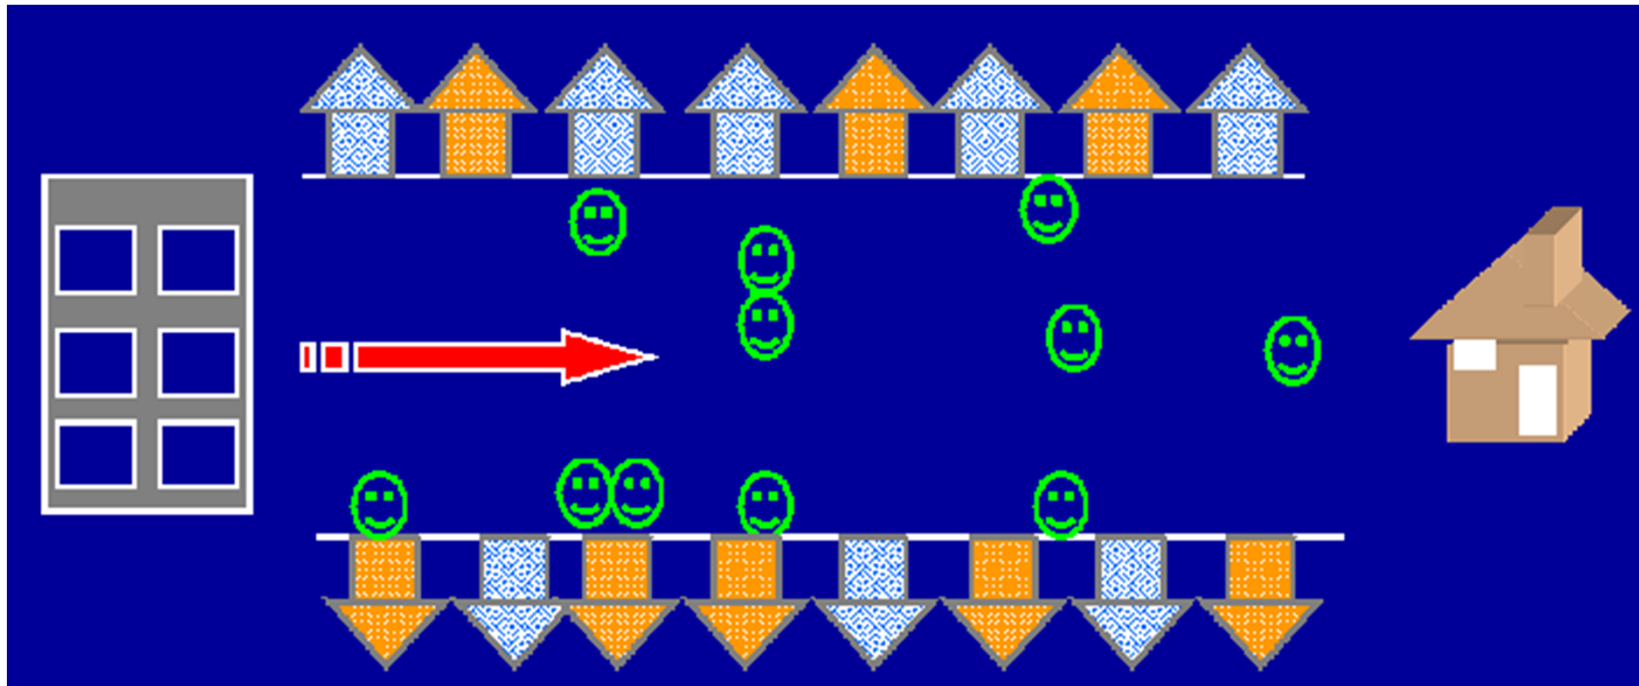

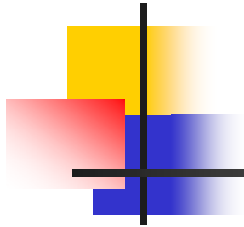

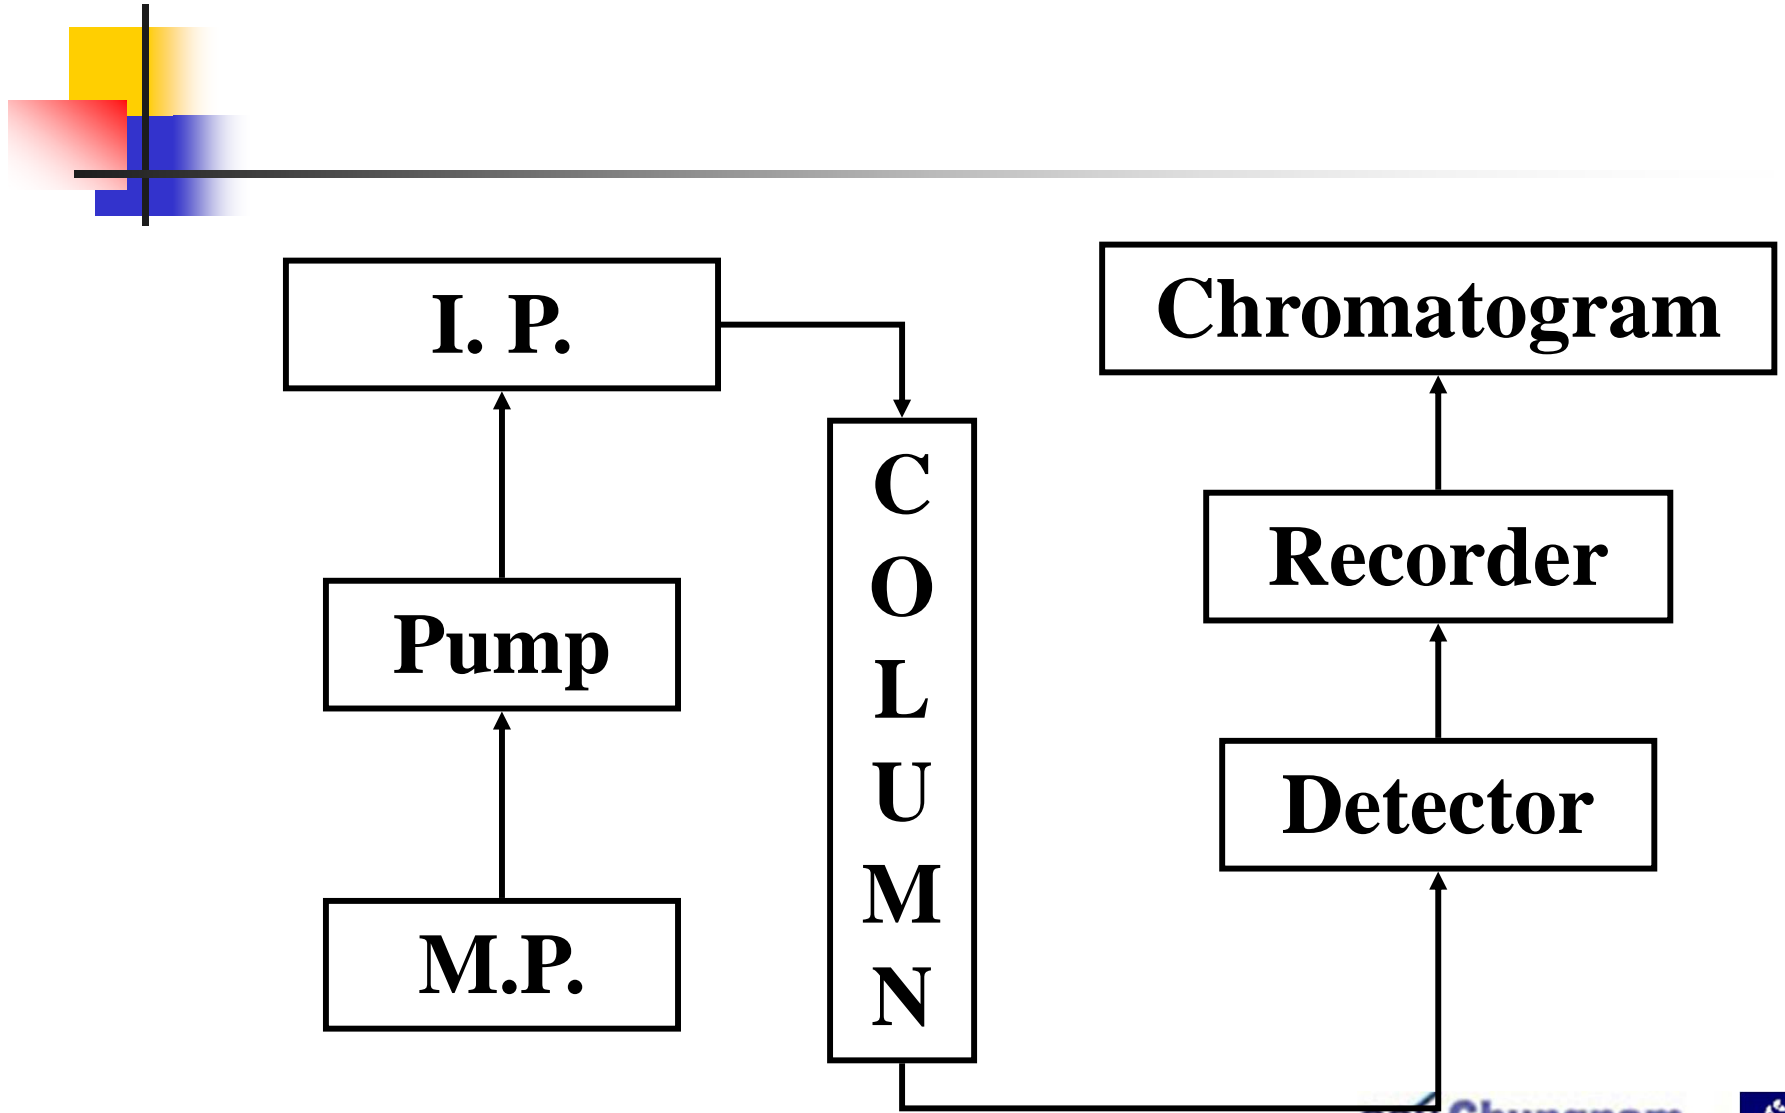

■ HPLC

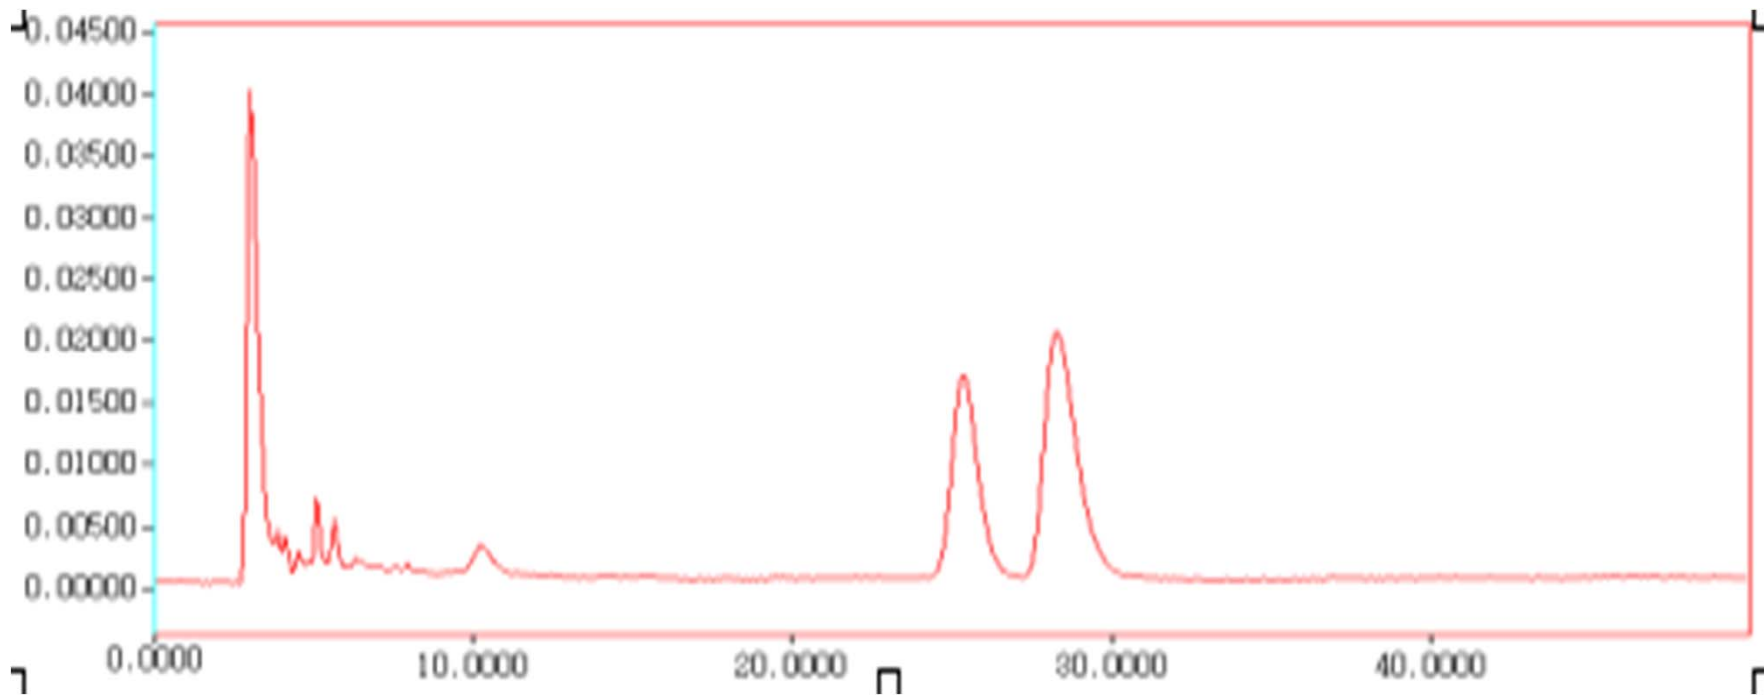

- High performance liquid chromatography.
- Rapid separation method.
- Variety of mobile phase and stationary phase.

✦ *Bioprocess lab.*

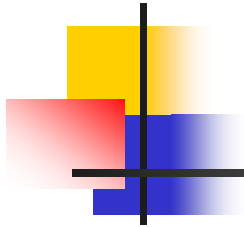

Analytical result from HPLC

Experiments

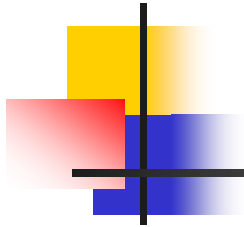

1.

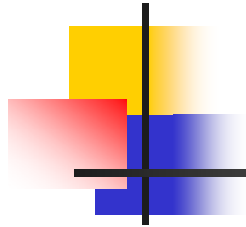

2. Filtration and degassing

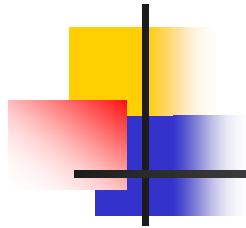

3.

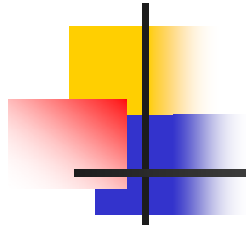

4. Column

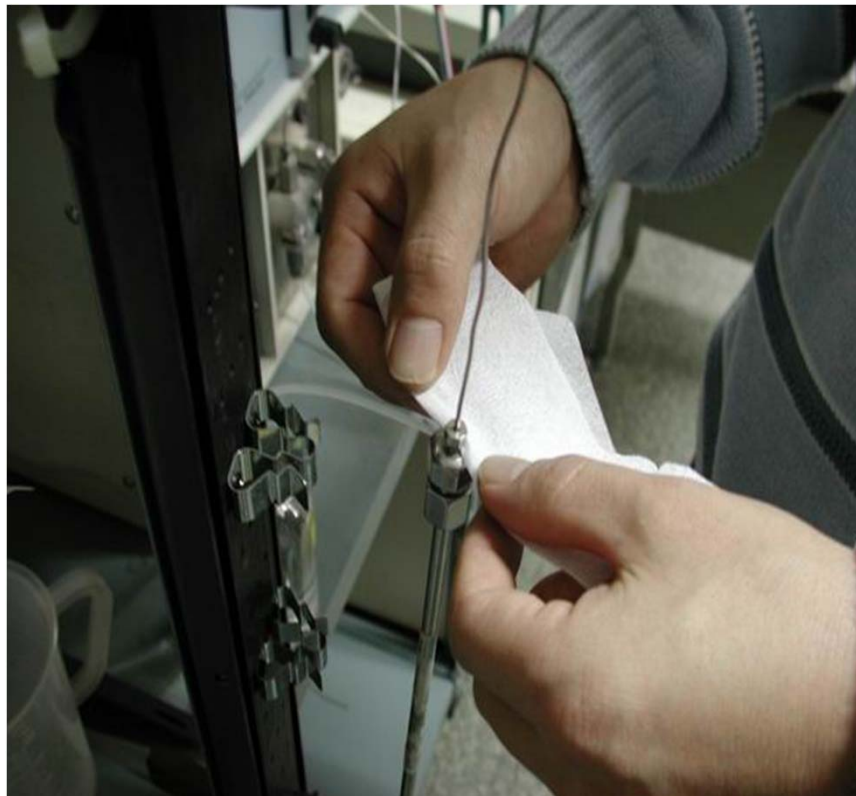

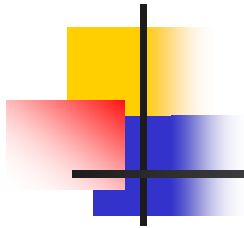

5. Pump

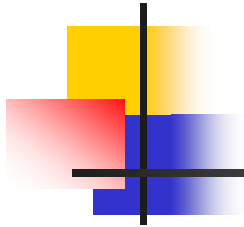

6. Column

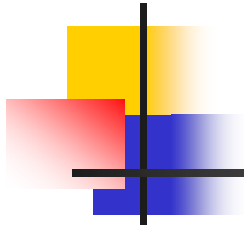

7.

8. UV Detector

9. Sample preparation

10. Sample filtration

11. Injection
